Title: Profit and Loss Report for Last 5 Yea	rs

Getting Started : You will be shown only the time interval setting.

Choose the period (month) that you want to run the report for. This will set the period and the year for the "current year" column. Based on that setting each column to the right will show year to date profit and loss up to the same month for one year earlier than the previous column. If there is no data in your accounts for a column, zero will be shown

To preview the report : Set the Output to popup to Preview and click the Preview button.
