1. Include unposted:

Check this box, if you want to include unposted transactions.

2. Report by:

By default it will choose Department. Haven't added more options on it.

3. Code:

Set

Enter the **department code** you want to run the report for. If you want to run the report **for all the departments** then enter "@" (Without quotes).

4. From:

Select the date you want to run the report from.

5. To:

Select the date you want to run the report up to.

6. Totals Only:

If you want to run the report in **detail**, **uncheck this option**. This option will work while you run the report for all departments.
